

THE OPEN UNIVERSITY OF ISRAEL
Department of Mathematics and Computer Science
Faculty Openings in Computer Science

The Department of Mathematics and Computer Science at the Open University of Israel invites applications in all areas of computer science for a senior faculty position at all ranks (assistant professor, associate professor, professor).

Requirements:

- Ph.D. in computer science
- Postdoctoral or faculty experience is preferred
- Proven research record of high quality
- Commitment to developing CS courses at the Open University, including writing textbooks and online pedagogical materials in Hebrew.

To be considered for the position, please apply no later than November 15, 2020, to search@openu.ac.il, with the following materials:

1. Curriculum Vitae, including list of publications
2. Research statement, including plans for future research
3. Application letter specifying the candidate's potential contributions to the CS program

In addition, we request that each candidate provides three reference letters. The referees should email their letters of recommendation directly to search@openu.ac.il at their earliest convenience, and no later than **November 15, 2020** (the deadline for submitting candidacy).

For further details, visit the department's homepage at: <http://academic.openu.ac.il/cs/>

For additional information, please contact Prof. Manor Mendel, Head of the CS Program, at manorme@openu.ac.il
